- Regulation 2021/887 establishing the ECCG and the NCC Network
- **Digital Europe programme (DEP)** regulation (AI-cloud-data, high performance computing, skills, **Cybersecurity**)
- Horizon Europe programme (HEP) regulation

- European Cybersecurity Competence Centre (ECCG)
- Network of National Coordination Centres (NCC)

Anchored in a European network equipped with clear objectives

- **27 National Coordination Centres** working in network
- A strategic agenda framing the European Competences Centre activities (ECCC)

A clear role for each NCC

- **National Contact Point** for European programmes :
 - > Digital Europe, cyber part
 - > Horizon Europe
- Financial support to the Community (**FSTP**)

Schedule

1st window of applications

Opening: **june 2024**
Closing: **august 2024**

2nd window

Opening: december 2024
Closing: february, 2025

Conditions

- Project duration -> max 12 months
- Tickets between 30k€ and 150k€ under de minimis regime
- Eligibility: SMEs

What we look for – “teaser”

- Proof of concepts and technical developments
- SMEs’ contribution to standardization activities
- Cyber maturity of managed services providers

Schedule 2024

Wave 1 to 6

2022 to may 2024

Wave 7

Opening: **july 2024**

Closing: **november 2024**

Service brief

- Rough evaluation on **eligibility and chance of success**
- **Candidate visibility** throughout the 26 other NCC – forming cross border consortia
- Fine control on financial capacity
- Possible **enrolment and financial support to consulting services** to materialize your application
- **Follow-up of laureates**
